Vishwa Jagriti Mission of North America (VJMNA) is a young and tender branch of the gigantic tree of Vishwa Jagriti Mission. The VJMNA has been moving forward spreading the love and light along with the golden principles of His Holiness Sudhanshuji Maharaj. It has become engaged in several missionary activities for the citizens of our community here in the Chicago area.

In pursuit of spirituality, the VJMNA family meets second Sunday for collective prayers. For any information on the Satsang or VJMNA, please contact Praveen Verma at 630-852-9636 or by email at [info@vjmna.org](mailto:info@vjmna.org) or visit us at our website [www.vjmna.org](http://www.vjmna.org).

And now our out of town family members can join us through a webcast at the following link.
